

# Listening ear for residents needing help

Tenterden Community Hub offers financial and personal advice to residents.

It offers walk-in sessions on Fridays at St Mildred's church hall, Church Road, from 10am-2pm and at the same time, on the first Thursday of the month, during Rolvenden market, at Rolvenden village hall.

The hub operates a community bank working in association with the Kent Savers Credit Union, giving access to low cost loans and finding ways to make your money work harder.

Staff also pride themselves on providing a listening ear and recognise that families may suddenly find themselves in different circumstances due to redundancy, ill health or disability.

The hub mainly supports people living within a 20-mile radius of Tenterden but may be open to those further afield.
